

FRIENDS OF JAZZ, INC.

Keeping Music in the Schools!

Student Scholarship Application

Friends of Jazz, Inc. is a nonprofit, all-volunteer organization now in our 22nd year. Our mission is to keep music in the schools. As part of that mission, we award scholarships annually to students who are studying jazz locally at the high school and college levels. We also award scholarships to jazz bands at each of these levels. To date, more than 1,100 talented high school and college students have received scholarships. Many of our scholarship recipients have become professional musicians. We are proud to have been part of their musical lives here in California.

Friends of Jazz is now accepting applications for individual student scholarships at the high school and college/university levels. Each scholarship includes a free one-year membership to Friends of Jazz, Inc. (Student memberships are usually \$20 per year and include invitations to Friends of Jazz events and recognition in the FOJ newsletter. Membership year runs July 1 through June 30)

To apply for a student scholarship, complete the application below and return to your jazz or big band director. You will be notified upon determination of scholarship winners for the current school year.
